

## Guarantee

# Your Company's Loss Prevention & Employee Protection

**ACCESS CONTROL & SECURITY**

**Ahearn & Soper offers everything you need to secure your premises, personnel and inventory.**

Here are some of the components we offer:

■ **Are your staff, visitors and property safe from intruders?**

**Access Control and Security Solutions** such as Building Management, Employee Protection and Asset Tracking  
**Digital CCTV**, Motion Sensors, Door Control, Alarm Monitoring & ID Card Systems

■ **Do you need different levels of access for specified groups?**

**Multiple locations**  
**Integration** with most existing fire and burglar alarm systems  
**Email alarms** to authorized personnel for review and action  
**Separate modules** for different features so users can only access  
**For C-TPAT Certification** - Security solutions for manufacturers interested in expediting their products across the U.S. Border.  
**Employee Management Systems** such as Time & Attendance & Job Costing

■ **Can a lost or stolen card provide access to your secure areas?**

**Biometric Systems** such as fingerprint verification and retina recognition systems  
**Smart cards and tags** and other types of RFID proximity-type tags  
**Over 100 standard reports** as well as customized reports

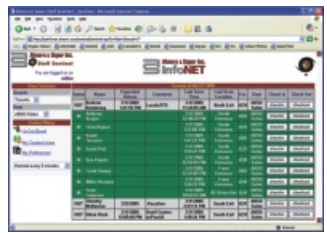

■ **Can you monitor anybody's movement in your premises?**

## Unique In/Out Board

**Maximize internal communication with Ahearn & Soper's popular In/Out Board solution!**

Easily integrated into any existing intranet

All staff can view the Board for convenient tracking of employee whereabouts at all times

■ **Is internal theft an issue in your company?**

Call 416.675.3999 or Toll-Free 1.800.263.4258  
Email: [salesdept@ahearn.com](mailto:salesdept@ahearn.com)

Canadian companies lose  
\$4 billion annually in internal losses

Do you think you **don't**  
need Access Control or  
Security?
