CMP-30II

Applications

- Hospitality
- Law Enforcement
- Logistics / Transport
- Retail
- Ticketing
- Warehousing

Simple design

The CMP-30II printers are designed like all Citizen printers to be simple to use and easy to operate.

Intuitive operation

This, combined with the durable, strong plastic case which is designed to take the occasional knock, means our printers keep running and running.

High capacity media rolls

The CMP printers can accept media rolls with a diameter of approximately two inches. In addition, the CMP-30IIL model supports label printing as well as receipts via the integral label gap sensor.

Portable printers for all your receipt and labelling needs
