INTELLIGENT
CABINETS

WHY AHEARN AND ZEBRA?

We have the most important thing in common.

We recognize that for businesses to compete they must become as smart and connected as the world we live in.

While other providers and suppliers focus on their products and services, we focus on your business priorities.

Zebra Intelligent Cabinets is just one product example of how we do this by bringing solutions that lead to rapid ROI from faster adoption of new edge-data solutions.

How your operations stores enterprise mobile devices have often an unrecognized impact on operational efficiencies. If your device storage solution lacks adequate space, security features, or a purposeful design, the risks of your operation:

- **Damage to and loss of devices**
- **Obstructions to workflows**
- **Reductions in productivity**
- **Challenges in overall profits**
